LONG GUN & HANDGUN NEWS

To say it was hot at the July monthly shoot would be such a gross understatement but you wouldn't believe how many tough folks we have in this club! We had 19 shooters with 5 of those being juniors/sub-juniors. Way to go! You know what was really funny though.....the only complaining seemed to be coming from me and I was in the range house (under the air conditioner). Oh well, you know how old women like to complain! We did have a good crowd, a good time and some good shooting. Here are the results from JULY:

This is a heads up! We are going to have some electrical work done at the range in the near future. Some of the Board members are working toward getting the electricity up to the point our visitors can utilize it. We found out after the Soiree that most of the campers had to use their generators because the electricity wouldn't carry them. Kind of embarrassing since we charge them for the electricity.....

RANGE ETIQUETTE

- It would really be helpful to the ladies in the range house if, when you come to get your targets each month, if you would pay as you take them. Sometimes we forget that we haven't paid and it embarrasses everyone to have to be reminded the next month.
- Remember, off-hand is exactly that; no support from any source other than your own two legs.
- If you shoot a flinter, be sure to put a flash guard up – this is only a courtesy to the shooter at the station next to you.

On the way to a meeting an elderly lady was stopped by a highway patrolman. He asked for her driver's license and insurance. The lady took out the required information and handed it to the patrolman. In with the cards he was surprised to see she had a conceal carry permit. He looked at her and asked if she had a weapon in her possession at this time.

She responded that she indeed had a .45 Colt automatic in her glove box. Something, body language or the way she said it made him ask if she had any other firearms. She then admitted to having a 9mm Glock in her center console. Now he had to ask one more time if that was all and she responded once again that she did have one more; a S&W .38 Special Revolver in her purse.

The officer then asks her the obvious question: "Lady, what are you so afraid of?"

She looked him right in the eye, smiled, and said, "Not a damn thing!"

TURKEY SHOOT

After much fussing and fuming, debating and discussing, it has been decided to continue with the Turkey Shoot but to make it a ONE DAY ONLY shoot. This year the Turkey Shoot will be held on Sunday, October 30, 2011. The fliers will be going out this week sometime. Hope everyone can come!

SHOTGUN NEWS

If you didn't make it out to the Shotgun Sunday on the 14th, you missed a beautiful morning. There was just the slightest of breezes and the temperature was very enjoyable. Wish we could bottle that weather and open it in April. At any rate, the attendance was small so we just enjoyed burning some powder. Ask Roger and Jim

about the flinter.....They both nearly wore themselves out. It was good seeing Norma and Travis Bolin and the new addition to their family – a 6 week old blonde Pomeranian...no name as yet but I vote for Possum. Some of us were talking and decided it would be a good idea to have a Club wide cook out at the October Shotgun Sunday (That will be October 9th. The club will provide the burgers and dogs – you bring the sides and dessert). This is for everybody, even if you have never shot a shotgun, there will be one available and someone to show you how to make it go “boom”. We might even have a “Novice” match or two. PLEASE, mark this date on your calendars because it will be a fun family day!

If you have anything you want to put in the newsletter, please get it to me before the 15th of each month. I'll do my best to get the word out. Thanks a lot – Patty Lawrence, newsletter editor.
