LONG GUN & HANDGUN NEWS

We had a good shoot on the April 28th as well as a good meeting. It seems all offices were willingly filled with the exception of Vice President-Secretary. I have offered to help if someone will just take on the Newsletter. I will take care of the annual shoots, advertising, etc. I just will not be sending out a newsletter any longer. If someone is willing to take this on I will be ever so grateful. Otherwise, if you want to know what the results from a monthly shoot is or the match schedule, you will need to get in touch with the Match Chairman. This is the last newsletter I will be sending out.

It was discussed at the annual meeting – election of officers Sunday, April 28th that with the few number of members willing to hold offices, we needed to remove the statement in Article VII, Section IV stating the president could not serve consecutive terms.

“Subject to the provisions of Section VI of this Article VII, all officers shall be elected annually and shall take office on June 1st and shall hold office for one year from that date or until their successors shall have been elected and qualified. **No President shall succeed himself in office.**”

As stated in the constitution, amendments must be advertised in advance of voting on them. This information will be mailed to individuals who do not have e-mail and will be voted on at the May Shoot meeting Saturday evening, May 25th, 2013. If this passes, the new slate of officers for 2013-2014 will be:
